Communicate clearly in production noise.

When loud noise or distance prevents normal conversation levels, look to David Clark Company for the right Communication System to keep you in touch. Our superior **Noise-Attenuating Headsets** provide both hearing protection and clear reception in high noise environments.

Choice of portable or permanent off-the-shelf systems. Write for Catalog and name of nearest dealer.

David Clark COMPANY INCORPORATED
P. O. Box 155, Worcester, MA 01613-0155
